Hello Classroom Teacher of \_\_\_\_\_.  
(student's name)

My name is Kim and I am a Director and teacher at Free Spirit Forest and Nature School. You're receiving this letter because one of your students is enrolled in our FNS program for the 2024/25 School Year, starting the week of September 9th, 2024. This means that they will be absent every \_\_\_\_\_ until the week of June 16th, 2025.  
(day of the week)

Free Spirit Forest and Nature School is a not-for profit organization and a certified private school that provides outdoor, experiential educational programs that are rooted in emergent, play and place-based learning. Our goal is to help support the learning styles and needs of each student, and to work with their classroom teacher to provide educational support that benefits the whole child.

To learn more about this experience, or if you have any questions, please do not hesitate to contact me directly.

Thank you,
